A CALL TO

Perseverance on the path of holiness
... in daily life

Pursue competence in personal work and
develop a dynamic fidelity to their mission,

adapting, if need be, to new situations and
different needs,

in complete openness to God's inspiration
and to the Church's discernment.

...fully convinced...

that the quest for
ever greater
conformity to the Lord
is the guarantee of any renewal
which seeks to remain faithful
to an institute's
original inspiration.

... to return to the rule ...

According to our Founder:

“....This must not be a new congregation, but that same one which, from 1303, was founded in the Church where our Father Saint Francis rests ... with the goal of observing the Rule, not just in any way whatsoever, but with that perfection which our holy Father Francis desired.”

Fraternal life is built up with the contributions of each and every sister.

**meeting

**building
a future...**

“... while we have time,
let us do good!”

Saint Francis of Assisi

“The purpose of this House is for
those who desire God alone.”
